

Alaska Land Company is proud to present four distinctive communities with a limited number of prime homesites in Homer, Alaska. The six dramatic and varied parcels of Canyon Rim Park overlook the canyon floor, while Canyon Trails offers the perfect place for a secluded dream home with full city services. Bridge Creek is a tranquil and rustic paradise to the northwest of town. Lookout Mountain is situated to the northeast of Homer with only two premier properties remaining available. Each of these communities boasts stunning panoramic views and hosts segments of the Kenai Peninsula's extensive network of remarkable trails.
