

LOOKOUT MOUNTAIN PARK

LOT NUMBER	ACRES
11	5.776
12	6.031

Located along the eastern edge of Crossman Ridge, Lookout Mountain Park boasts striking terrain in the heart of "Alaska's Playground." Its dramatic elevation—the highest of the Alaska Land Company properties—affords sweeping views of the surrounding landscape and of the stunning glaciers and volcanoes to the southwest.

Lookout Mountain Park has enjoyed great success, and only two of these premier sites remain available. The picturesque setting hosts segments of the Homer region's extensive trail system, making this location a dream for sports enthusiasts, hikers, and anyone who enjoys the great outdoors.
